

步进电机 Stepper motors

产品特性 Product features

- 电机是性价比高的步进电机，这款电机的连接线直接从外壳接出，适合安装在有额外外壳或用于清洁环境中的机器设备
- Motor is the most cost-effective stepper motor, this motor cable directly exit from the housing, They are suitable for installation in an extra housing or for the machine equipment in cleaning the environment

标准规格 Standard specifications

产品编码 Part No.:

MOT-ST-0820-H

- H: 线束 Wire harness
- T: 绞合线 Twisted wire
- 法兰尺寸 Flange dimension
- NEMA08
- 步进电机 Stepper motors
